#GGUSDPRIDE E-newsletter

The #GGUSD Pride E-newsletter features many of the great things happening in GGUSD. Send your photos to pio_department@ggusd.us to highlight your school or students in the e-newsletter.

GGUSD Opens First Computer Science Academy at Heritage Elementary

GGUSD opened its first Computer Science Academy at Heritage Elementary School this year, transforming the traditional elementary school into a 21st century academy infused with next generation technology and innovative instruction powered by Code to the Future, the nation's leader in developing computer science magnet schools. Watch our video to hear from students, teachers, and administrators about the success the school is experiencing already.

Cultural Celebration

Walton Intermediate School AVID students hosted a Día de los Muertos Family Night recently to showcase the Mexican culture and traditions of the school's students and

families. Fun was had by all, with festivities including making sugar skulls, painting faces, and enjoying authentic cuisine.

Students Take a Stand Against Drugs During Red Ribbon Week

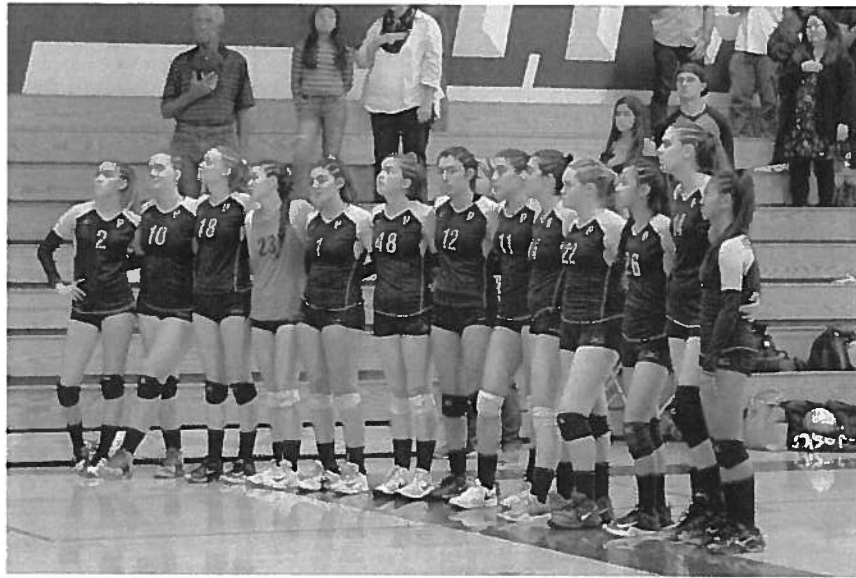

Paine Elementary students celebrated making wise choices and living healthy lives during Red Ribbon Week. Teachers and staff took the opportunity to talk to students about the dangers of drug abuse and the Student Council sponsored a poster contest and organized fun activities. On "Love Learning, Not Drugs Day," students were encouraged to dress like their favorite staff member. In an overwhelming turnout, Paine's campus was overrun with students wearing bow ties; Principal Martinez's signature fashion statement. Not to be outdone, Mr. Martinez switched it up and dressed as a student.

Students at Excelsior Elementary School said no to drugs last week with a variety of fun dress up days, including wearing red for Red Ribbon Week, crazy socks to "Sock it to Drugs," and wearing their pajamas because "their dreams are too big to mess around with drugs!" Great job scholars! #GGUSDPride

A Successful Season for Pacifica Girls' Volleyball

The Pacifica girls volleyball team had their best season in 10 years with a second place finish in the Empire League and a CIF quarter final appearance. Congratulations to the Mariners on a great season! #GGUSDpride

A Visit from the Superintendent

La Quinta High School students were fortunate to have a special speaker this week: Superintendent Gabriela Mafi. During two periods of Spanish 3, the superintendent presented about her *abuelo* (grandfather) who started the first daily newspaper in Ciudad Juarez, Chihuahua, Mexico in the 1920's. The presentation was part of classroom Día

de los Muertos activities where ancestors are highlighted and honored. In two periods of Advanced Placement Statistics, the former math teacher discussed with students how to use statistics in career and personal situations.

Jordan Students Stay Active with New Soccer Program

Jordan Intermediate School is committed to equipping students with the personal skills for lifelong success. As part of that goal, Jordan provides a variety of extra-curricular activities to give students more opportunities to experience positive connections to adults at school. Some of these programs include dance team, art club, ukulele, Cyber Patriots team, and YouTube Movie Making classes.

Beginning in August 2018, Jordan expanded its extracurricular opportunities to include Pure Game Soccer. Pure Game is a nonprofit organization that provides mentors called *Field Champions* to help children develop character through experiential learning. Pure Games' character education curriculum is facilitated through the game of soccer. Currently, more than 50 students are participating in Pure Game Soccer several times per week; the impact on student behavior and leadership skills is noticeable.

On Sunday, October 28, administrators and students participated in the Pure Game Annual Footy Golf Classic at Riverview Golf Course. This event is the major fundraiser for the non-profit organization. Jordan students enjoyed a full day of footy golf, fun games and prizes, and a barbecue dinner. They look forward to next year's event and, someday, to be "Field Champions" to kids just like them.

Rancho Wins League Title

Congratulations to the Rancho Alamitos High School football team for winning their first Garden Grove League title since 2011 by beating Loara 42-14! Best of luck in the playoffs!

La Quinta Students Increase Awareness about Mental Health

La Quinta High School students joined community experts for a Mental Health Conference at the Children's Hospital of Orange County (CHOC) over the weekend. During the conference, La Quinta students participated in a panel about the effects of bullying and social media on students. The conference was attended by pediatricians, clinicians, and other mental health professionals. GGUSD's Director of Student Services Dr. Arthur Cummins also participated in the workshop.

Pacifica's First Place Cadets

The Pacifica NJROTC Cadets had a strong showing at the Lemoore Drill Meet and brought home the first place trophy! The win qualified them for their third consecutive State Championship, which will be taking place in February.

Their strong finish was due in large part to placing first or second in 12 events. They also had some individual success as Dylan Anderson and Alex Vo placed first in the male and female push-up contests respectively.

Proud Product of Crosby

Dominic is a proud product of Crosby Elementary, Walton Intermediate, and Garden Grove High schools. Currently enrolled at UC Irvine, Dominic visited Crosby Elementary this week to take a photo with his graduate banner which is hanging at the school to inspire today's Crosby Cougars!

GGUSD has graduate banners hanging on campuses throughout the district to promote a college-going culture and growth mindset and to celebrate the success of our students.

Cultural Diversity Fair

On Wednesday, October 24, Lincoln Education Center hosted its 3rd annual Cultural Diversity Fair. This fair is the culminating event for the school's English Learner Civics unit on diversity. ESL students learn about the different cultures represented at the school as well as interesting facts about many countries throughout the world. Festivities include cultural performances and student presentations representing a wide variety of countries.

All Hallows' Eve is almost upon us. Here are some tips to help you and your family have a safe and happy holiday:

- Fasten reflective tape to costumes & bags to help drivers see you.
 - Use a flashlight while trick-or-treating to help you see and others to see you.
 - Walk, don't run from house to house.
 - Look both ways before crossing the street. Use crosswalks whenever possible.
 - Plan a **#TrickorTreat** route in well lit, familiar neighborhoods, and agree on a curfew.
 - Parents should always accompany trick-or-treaters.
 - Be aware of your surroundings.
 - Teach children to say "NO" in a loud voice if someone tries to get them to go somewhere or leave with them.
 - Examine all treats for choking hazards and tampering, before eating them.
 - Citizens should keep doors locked, even if just "out front" handing out candy, to prevent burglars from taking advantage of the holiday.
 - Don't drink and drive.
 - Allow yourself time to get to your destination, and drive carefully where people will be out trick-or-treating.

BY OC TRIBUNE STAFF ON OCTOBER 31, 2018 • (1 COMMENT)

FIREFIGHTERS work to free a man from his crushed vehicle Tuesday morning in the area of Garden Grove Boulevard and Village Center Drive (GGFD photo).

Two people were injured in a four-vehicle crash Tuesday morning, with one of them cut out of tangled wreckage by Garden Grove firefighters and both taken to area hospitals.

(<https://orangecountytribune.files.wordpress.com/2017/05/ggfd-logo.png>)According to Capt. Hearing is set in GG Lyft carjacking

BY OC TRIBUNE STAFF ON OCTOBER 31, 2018 • (LEAVE A COMMENT)

A **HEARING** has been set for Nov. 15 in the case of a man accused of carjacking a Lyft vehicle in Garden Grove earlier this year.

A preliminary hearing is scheduled for Nov. 15 in the case of a Garden Grove man accused of carjacking, robbing and assaulting a Lyft driver in Garden Grove earlier this year.

According to the Orange County District Attorney's office, Luis Alberto Zaragoza, was charged in Central Justice Center in Santa Ana with felony offenses for carjacking, first-degree robbery, assault with force likely to produce great bodily injury and a sentencing enhancement for the injury.

The hearing will be at 8:30 a.m. at West Justice Center in Westminster. A pre-trial conference is set for Thursday, Nov. 1, also at 8:30. If convicted of all counts, he faces a possible sentence of 14 years and four months in state prison.

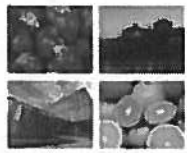

Authorities say that on March 10, Zaragoza used the ride-sharing service to request a ride from a bar in Garden Grove. Just before 2 a.m., the Lyft driver arrived, and the suspect allegedly got in the car and told the driver to stop at a McDonald's drive-through.

At that point, Zaragoza allegedly shouted obscenities at the driver, punched and kicked him in the head and dragged him out of the vehicle, then drove away with the auto.

Garden Grove police investigated the incident and arrested Zaragoza on June 11, 2018.

Jamboree is a fantasy of fun

Event at Atlantis Play Center a hit

By Loreen Berlin

Atlantis Play Center in Garden Grove Park was a hub of Halloween activities over the weekend.

This was the 17th annual "Jack O'Lantern Jamboree" for children that included a train ride, bounce houses, crafts, carnival games, airbrush tattoos, a magic show and the great pumpkin patch.

There was an inflatable obstacle course and animal balloon art and the Euro Bungee area for children to enjoy.

Children 3 to 13-years-of-age each received a free pumpkin to take home from the pumpkin patch. And, as always, this is a pre-sold event that quickly sold out this year to nearly 600

guests.

"Turnout was great and the lines to participate in the various areas were ideal, with not too long of a wait," said Community Services Coordinator Xavier Medina.

Costumed children participated in the annual costume contest categories of best over-all, cutest and scariest.

Youngsters seated themselves at craft tables to make clever Halloween crafts, decorating real pumpkins to take home.

Working up an appetite with all of the activities made it so youngsters were ready for a selection of foods from the Beach Bus Bistro food truck.

And once again, "MagicIAN" was on hand to delight the chil-

dren with sleight-of-hand.

Coming up next is the "Annual Winterfest" at Atlantis Play Center, 13630 Atlantis Way, for which they are expecting a full house to attend, which will again have crafts, carnival games and the train, Santa and 50-tons of snow.

Tickets for the winter event go on sale in November. For information and to make reservations, call 714-741-5200.

Atlantis Play Center originally opened in the mid 1960s and still has the wonderful dragon slide and other stationary animal forms for children to sit on and enjoy.

For more information about activities, call 714-741-5200 or visit ggcity.org/register.

New fire station replaces aging, 47-year-old facility

Previous building, which was built in 1971, was once a 3-bedroom house

By Eric Licas
elicas@scng.com

Firefighters, civic leaders and residents in Garden Grove celebrated the completion of a new community center and fire station with a ribbon-cutting ceremony Oct. 23.

The facility, at 12232 West St., replaces the original Fire Station No. 6 at 12111 Chapman Ave., which was constructed in 1971. The new 7,680-square-foot building features updated equipment and is much larger than the old firehouse, allowing it to store more vehicles and firefighting tools.

The extra room is a welcome change for crews who had been working 24-hour shifts out of the old station, which had originally been a three-bedroom house, said Garden Grove firefighter and paramedic Ryan Van Wie. He had been based out of the Chapman building for the past four years and said it has struggled to keep up as firefighting practices have evolved over the decades.

"Everything is getting bigger, but the station hasn't grown at all, so it's been tough to

work out of there," said Van Wie. "There's nine guys (at) that station with three people on duty at a time, so it's very tight."

In addition to larger living quarters and modernized facilities, the recently completed structure includes equipment needed to clean emergency response vehicles housed at other fire stations in Garden Grove. It also retains a central location in the city and has a pair of large bay doors that open on to West Street, making it easier for fire engines to get in and out, according to Van Wie.

Construction also included a new 1,815 square-foot community room with a remodeled playground. The feature was a hit among local parents and children like Salvador Seballos, 23, and his daughter, Aliyah, 4, who moved in about five minutes away three years ago.

Garden Grove Fire Chief Tom Schultz unveils a plaque during the ceremony.

"I'll be bringing her around a lot," Seballos said. "It gives the area a nicer look. It used to look old."

Work began on the new Fire Station No. 6 and the adjacent community room in May 2017, and it was funded by a \$5.5 million bond, rather than the city's general fund, said Garden Grove Fire Capt. Thanh Nguyen.

He said that, later, with low interest rates, the city took out a loan to fund the bond in an effort to fast-track the project.

"This was such a priority for

the city to get this fire station that they borrowed more at lower interest," Nguyen said. "What's happening now is they're paying off the original and the secondary loan."

Civic leaders characterized the new facility as a necessary investment in Garden Grove's public safety during the ribbon-cutting ceremony. Garden Grove Fire Chief Tom Schultz said it replaces what was meant to be a temporary solution with a "50-year station" that will serve the community well into the future.

NATIONAL DRUG TAKE BACK IN GARDEN GROVE THIS SATURDAY

This Saturday, October 27, from 10:00 a.m. to 2:00 p.m., the Garden Grove Police Department and the Drug Enforcement Administration (DEA) will give the public its 16th opportunity in eight years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to the Garden Grove Police Department, located at 11301 Acacia Parkway, Garden Grove, 92842. The service is free and anonymous, no questions asked. The DEA cannot accept liquids or needles or sharps, only pills or patches.

In April, Americans turned in 475.5 tons (over 900,000 pounds) of prescription drugs at almost 5,800 sites operated by the DEA and more than 4,600 of its state and local law enforcement partners.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet.

In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—pose potential safety and health hazards.
